Investor/handyman special! This stone/rock home has so much character. With deep pockets and an imagination this can be the perfect home for someone that is ready to take on a complete remodel! This cutie is entertaining 2 bedroom's & 1 full bathroom. There is a potential for a 3rd bedroom. As you walk through the open kitchen & breakfast nook you will enter into a large laundry room with a ladder going upstairs to what could be your 3rd bedroom or game room. The front yard has a decorative fence, along the side of the home is a long-detached garage and the lot goes from Ora Street all the way back to the ally. One of the major items you will not have to complete is a roof. The roof was replaced a little over a year ago. Property to be sold as is.
